

FOR IMMEDIATE RELEASE – September 14th, 2015

Get TIFF ready with Revlon Professionals

On The Scene Network (OTSN) Inc is partnering up with legendary beauty brand Revlon Professionals for their exclusive TIFF Beauty Lounge held at Storys Building. This Lounge will feature the latest hair styles and red carpet looks for the Toronto International Film Festival (TIFF) and the fall season. We will be On The Scene chatting with Revlon Professional stylists getting the latest celebrity looks.

REVLON PROFFESIONALS:

A brand that encompasses color, styling, hair care and hair treatment products, distributed exclusively to professionals. Since its creation, Revlon Professional has been synonymous of innovation, fashion and technology at the service of the most creative professionals and their clients. Our portfolio of Salon products, including Revlon issimo NMT, Nutricolor, Sensor Perm, Revlon Professional Equave, Fermodyl and has gained the confidence and prestige of professionals in more than 100 countries.

ON THE SCENE NETWORK (OTSN):

Web Series / TV Show that gives viewers an exclusive look at the hottest events happening in Toronto. Our mandate is to inspire viewers with deep reaching celebrity interviews all the while focusing on their philanthropy efforts. OTSN is also available on The Huffington Post & AOL with global distribution.
